

18 February 2026

Information on environmental labelling of packaging pursuant to Decision 97/129/EC

Implementation of Legislative Decree No. 116/2020, transposing Directive (EU) 2018/851 on waste and Directive (EU) 2018/852 on packaging and packaging waste.

With the aim of facilitating the collection, reuse, recovery and recycling of packaging, as well as providing customers with correct information on the final destination of packaging through the identification and classification of the packaging materials used, Tecnikabel S.p.A.

HEREBY DECLARES

that, starting from 1 January 2023, pursuant to Decision 97/129/EC, information on the nature of the materials used for the packaging of our deliveries is available in this document on page 2.

We remain at your disposal for any further clarification.

Best regards,
